BAM RECOMMENDS:

Grandstand K is a popular grandstand stretching from Tabac to the Piscine Chicane section, with stunning views over the harbour. From here, you'll witness the F1® cars chase each other out of the tunnel exit Chicane, into Tabac corner and up to the entry of the Swimming Pool complex.

Gold seats in the highest row of K also offer views behind the main start/ finish straight and Turn 1 (Sainte Devote).

GRANDSTANDS

For grandstand prices, see Appendix A

QUAI ALBERT 1ER (K)

GRANDSTANDS
(Gold seats available)

Gold grandstand seats are located in the most desirable upper rows.

BAM RECOMMENDS:

Located at the iconic Casino Square, Grandstand B faces Casino de Monte-Carlo and Hotel de Paris. See the F1® cars arrive from Sainte-Devote, pass through the complex Casino corner before heading down the hill towards Mirabeau and the famous tunnel.

This grandstand also offers big screen TV viewing, so you won't miss out on any of the on-track action.

CASINO (B) GRANDSTANDS (Gold seats available)

Gold grandstand seats are located in the most desirable upper rows.

GRANDSTANDS

Place Sainte-Devote (A)

Located on the inside of Turn 1, otherwise known as Sainte Devote, you'll be able to follow the pack tear down the start/finish straight and watch the world's very best racing drivers squabble for position as the track squeezes them at Sainte Devote; you can almost guarantee some action here on the opening lap of the race. From the top row, you can also watch as the cars enter the harbor section of the circuit, right behind the stand.

Virage du Portier (C)

Grandstand C is where the action starts. Portier Corner is not for the faint-hearted. With the drivers still fighting for track position before the cars head into the tunnel, you'll see these Formula 1® cars pushed to the limit first-hand as they line up overtaking moves to chase that all-important victory. Who will emerge ahead?

Av J F Kennedy (Z1)

Located up the track between Tabac Corner and Sainte-Dévote, this platform offers an outstanding view of La Chicane, at the exit of the legendary Tunnel Exit. You can also see the cars speeding right through La Piscine and Tabac Corner, past our trackside yacht in the port of Monaco. Z1 is a great spot to appreciate the speed of the Formula 1® action. *Please note: Z1 structure is only a standing platform, with no seating offered.*

Piscine (L, N, O, P) (Gold seats available in Grandstand L only)

Grandstand L is located directly next to the Rainier III swimming pool with views of the last turn in the Swimming Pool complex as well as the pits. It also benefits from a big screen on the opposite side of the track to ensure you're at the heart of the F1® action.

Ideally situated in the center of the Monaco Harbour, grandstands N, O & P are accessible via two walkways or by boat. As well as being able to soak up all the atmosphere that the Monaco Grand Prix has to offer, you'll have great views of both the kinks within the Swimming Pool Complex. Grandstand N is erected on a harbour pier, and you literally sit above the water, with water both in front and behind you, viewing cars arriving from Bureau de Tabac corner and then going toward La Rascasse. Grandstand O is the higher of the three grandstand set amongst the harbour, therefore offers more panoramic views and a distant view of the pits. All three grandstands have views of a big screen TV, to ensure you catch all of the action as it happens.

Cale de Halage Stands (T)

Grandstand T, located in the stunning Monaco Harbour area opposite the pits, is one of the larger grandstands at the Monaco Grand Prix - perfect for lapping up the excitement. On the track, you will have a great view of the field as they snake around the last turn of the Swimming pool complex before heading down the short chute to La Rascasse. The grandstand's higher seats also give you the added view of the pit lane where you'll be able to see the F1® mechanics at work during and after the race.

Anthony Nagues (V) (Gold seats available)

Grandstand V is located at world-famous La Rascasse corner - the last turn before the cars launch on to the start/finish straight. Due to its advantageous position, Grandstand V allows fans to see the cars as they dart into the pit lane, as well as a privileged view of the start and pre-race buildup. A big screen is located opposite to ensure you catch all the action.

Boulevard Albert 1er (X1, X2)

Grandstand X1 and X2 are the closest to the start and finish of the race. Located on the main straight, spectators will also be within metres of the chequered flag and will be privy to all the pre-grid action.
